

192 mm

275 mm

CA7087A-50

Aluminium, 4 arm, 50m line length, 38mm center pole, diagonal span 2.56 m

Features:

Top spinner: arms rotate smoothly even when fully loaded

Seamlessly adjustable working height: suitable for use whatever your height is, allow the entire arm section to be lowered for easier loading

2 piece center pole :easy to transport and store away

CA7077-13B

Aluminium, 3 arm, 13m line length, 38mm center pole, rotating diameter 1.47m, tripod support

Features:

Top spinner: arms rotate smoothly even when fully loaded

Seamlessly adjustable working height: suitable for use whatever your height is, allow the entire arm section to be lowered for easier loading

Mobile tripod support: allow the dryer to be used both indoor and outdoor

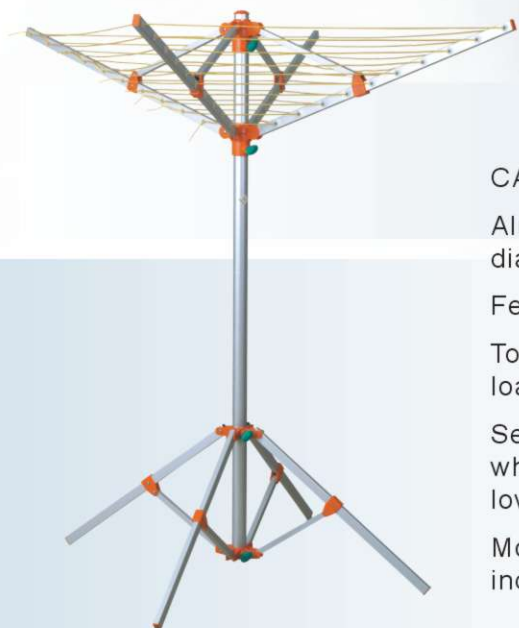

CA7077-40

Aluminium, 3 arm, 40m line length, 38mm center pole, rotating diameter 2.38m

Features:

Top spinner: arms rotate smoothly even when fully loaded

Seamlessly adjustable working height: suitable for use whatever your height is, allow the entire arm section to be lowered for easier loading

CA7087-25B

Aluminium, 4 arm, 25m line length, 38mm center pole, diagonal span 1.56m, 4-footed support

Features:

Top spinner: arms rotate smoothly even when fully loaded

Seamlessly adjustable working height: suitable for use whatever your height is, allow the entire arm section to be lowered for easier loading

Mobile 4-footed support: allow the dryer to be used both indoor and outdoor

CA70000
Universal Soil Spike Set

CA7067A-45

Aluminium, 4 arm, 45m line length, 38mm center pole, diagonal span 2.7m

Features:

Top spinner: arms rotate smoothly even when fully loaded

Optimum line tension: washing lines can be tensioned in three positions

2 piece center pole : easy to transport and store away

192 mm

CA7037-30

Aluminium, 3 arm, 30m line length, 32mm center pole, rotating diameter 2.32m

Features:

Top spinner: arms rotate smoothly even when fully loaded

Optimum line tension: washing lines can be tensioned in two positions

CA7037-38

Aluminium, 3 arm, 38m line length, 32mm center pole, rotating diameter 2.68m

Features:

Top spinner: arms rotate smoothly even when fully loaded

Optimum line tension: washing lines can be tensioned in two positions

CA7057-38

Aluminium, 3 arm, 38m line length, 38mm center pole, rotating diameter 2.68m

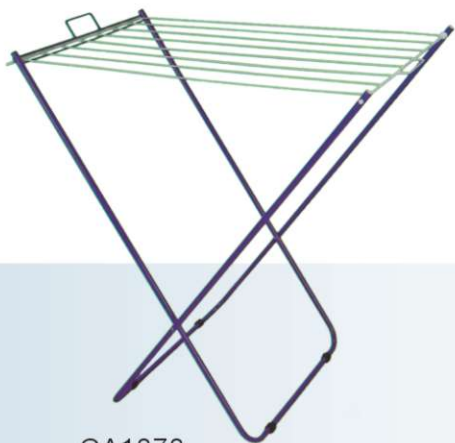

Features:

Top spinner: arms rotate smoothly even when fully loaded

Optimum line tension: washing lines can be tensioned in three positions
